NOVA TO BE AIRED IN JUNE

"Across the Silence Barrier," an hour-long film on deafness made by the highly respected science and social issue documentary program, NOVA, is now in the final stages of editing.

A film crew from WGBH in Boston was here last January filming various people and places on campus. We have heard that among the familiar people we should expect to see during the hour will be Carolyn McCaskill, Deborah Elliott, Janet Rothenberg, Rita Corey, Tom Mentkowski, Bob Weinstock, Orin Cornett, Frances Parsons, and Fred Schreiber.

In the Washington, D. C., area "Across the Silence Barrier" will be shown on WETA-TV, Channel 26 on Wednesday, June 22, at 8:00 p.m.; on Saturday, June 25, at 5:00 p.m. (regular Captioned time slot); and on Monday, June 27, at 1:00 p.m. and on June 27 at 8:00 p.m. (captioned). The program should be repeated in the fall.

THE LOOK OF SOUND TO BE OPEN FOR VISITORS ON MAY 21

Because of the many visitors that are expected on campus for graduation, the Visitors Center will have the Look of Sound open from 1:00 p.m. to 4:00 p.m. on May 21. Feel free to stop by with your out-of-town visitors.
